2025-2026 MORNING TRANSPORTATION SERVICE

Landmark East School offers a morning transportation service for Annapolis Valley students travelling to the Landmark East School campus. An invoice is emailed at the end of each month which is due upon receipt. Payments may be made by e-Transfer <payments@landmarkeast.org> or credit card.

The morning transportation service is cancelled whenever classes are cancelled due to inclement weather. There are occasions when there is a delayed start to the school day due to weather which results in later pick-up times (see below).

If for any reason your child will not be travelling on the van any given day, please send a text to the driver on or before 6:30 AM. If the driver is not notified, you will be charged for that day.

If you have any questions regarding this service, please email info@landmarkeast.org.

Students should be ready and waiting at least five minutes prior to pick-up times shown below. Driver cannot wait for students.
