Dear Students, Parents and Friends,

Landmark East School has played a vital role in changing the lives of children with language-based learning differences for over 40 years. Landmark East's Student Bursary Program provides funding for students who might not otherwise be able to attend.

Landmark East's 17th Annual Walkathon will take place on Sunday, October 20th. The event typically raises over \$30,000 for the Student Bursary Fund, as well as awareness around what Landmark East School offers students.

We invite you to join us in helping young people realize their full potential.

How can you make a difference?

You can:

- Take students out to canvas in your neighbourhood
- Ask friends and family to be a sponsor
- Generate awareness by talking with people about Landmark East in your community
- Hang posters up to promote the event
- Walk with us on Sunday, October 20th!
- Donate using e-Transfer, credit card, cheque, Canada Helps or cash!

Walkathon Details

- Students, staff, board members, and parents will be taking Landmark East students door-to-door canvassing in the evenings between September 10th and October 17th
- At noon on Sunday, October 20th all participants (students, staff, parents, board members, family and friends) can register at Landmark East School
- We will depart at 1:00 PM and walk as a group to Willow Park and back (approximately 5 km)
- There will be a BBQ and games after the walk on the school campus

Please help us make this the most successful Walkathon yet!

Sincerely,

Karen Fougere
